THE BOYS' BRIGADE WEST MIDLAND DISTRICT CAMPING CENTRE

CHARITY NUMBER 503688

The Boys' Brigade West Midland District Camping Centre is a self-catering residential facility where groups can stay using our canvas and/or dormitory accommodation and enjoy our extensive outdoor space for their sports, games and other activities.

Each site offers young people and their leaders the opportunity of a traditional camping experience during our main camping season, typically from May through to late September each year.

Please use this information booklet to have an enjoyable and safe camp. Please read it carefully and help the centre and maintain its high standards.

West Midland District Contact

John Sharp Booking Secretary/Trustee

Email info@bbcamping.co.uk

Camping Centre Address

Boys' Brigade West Midland District Camping Centre

Station Road
Dyffryn Ardudwy
Gwynedd
LL44 2HB

Website :- www.bbcamping.co.uk

Location:

The centre is located in the village of Dyffryn Ardudwy, which is located five miles north of Barmouth and five miles south of Harlech in the county of Gwynedd (Merioneth) Mid-Wales. We are situated between the main road through the village and the beach.

The sea is visible from the camping centre and is reached by a short walk down a lane across the 'Morfa' (a flat stretch of sandy land, ending in sand dunes). The beach faces the Irish Sea and is a long sandy beach with a large National Nature Reserve within its widespread sand dunes.

We are advised by the County Council that the lane leading to the camp site is unsuitable for 53 seater or bigger coaches. Coaches should stop by the children's play area/football fields on the right hand side of Station Road approaching the camping centre, and should not proceed round the last bend to the station.

Camp organisers please make this known to your travel provider.

Arrival:

Camps arriving should not arrive before **12.00pm** on the day of arrival unless previous arrangements have been made with the booking secretary or outgoing camp. This allows the centre work party staff to inspect the site before the arrival of the incoming camp.

A list of correspondents for any previous camp can be made available- please contact the booking secretary

On arrival a member of the incoming camp will be asked to inspect the site with the centre staff for acceptability. The booking secretary will advise you of your centre staff representative.

In order to assist you please ensure you return your booking/equipment requirements e.g. number of tents use of flag pole etc to the Booking Secretary in good time before your camp commences.

Departure:

Before departure a member of the outgoing camp must be available to inspect the site with the centre staff for cleanliness and breakages etc.

Camps should make every effort to vacate the camp by **11.00am** on the day of departure. On departure keys should be handed over to the centre staff for reissuing to the incoming camp.

No advance party should arrive before the day of the commencement of the camp and expect overnight accommodation

No responsibility can be accepted for any equipment which is sent in advance of a camp, or left after the camp has departed.

The site must be thoroughly cleaned before the departure of the camp.

Camp Requirements:

On completion of your booking request with receipt of completed booking form and deposit a '**Confirmation of Booking**' will be emailed. Along with the '**Confirmation of Booking**' a '**Camp Requirements Form**' will be emailed.

The '**Camp Requirements Form**' must be sent back no less than 2 months before the commencement of your camp, this is to allow the centre and staff to prepare for any additional equipment or facilities that are requested.

If the '**Camp Requirements Form**' is not returned it is assumed that no additional equipment or facilities are required on your arrival.

Any additional requests for equipment or facilities between 2 months prior to the commencement of your camp and your arrival will be at the **discretion of the booking secretary or the onsite staff team**.

Payment of Fees:

The final payment is required within 30 days of receipt of invoice which will be sent after the camp. The invoice will include the final payment, water, gas and electricity charges, extras (tents, marquees), breakages and any other charges (agreed on departure with member of camp).

If a member of camp is not made available to inspect the site with centre staff before departure and the site is left in an untidy state, **charges will be made for the centre staff to clean the site before the arrival of the Next camp.**

Breakages:

All breakages should be reported to the centre staff. If the item is not replaced, a charge will be made.

Camp Layout:

Tent layouts should remain in the configuration as found on arrival.

Moving of tents should only be done in exceptional circumstances (e.g. bad weather conditions) and should only be performed by experienced campers. To avoid damage to canvas and loss or breakage of tent pegs.

All damage to canvas will be charged. Always erect tents with the door flaps closed.

Please be advised- the first camps of the start of the main season may be required to erect canvas or assist in the erection of canvas if required by site team. This also applies to striking canvas at the end of the season - camps to strike all canvas.

Fire Extinguishers & Fire Blankets:

All sites are provided with field fire extinguishers — If these are discharged for any reason other than extinguishing a fire, the cost of recharging will be At the hirers/camp cost.

Two fire extinguishers are provided in the field of each site and must remain central to the tent areas., usually placed around the flag pole.

Health and Hygiene:

It is essential that the toilet blocks, cooking area, stoves and equipment are kept clean. The changeover group are unable to clean kitchens etc. Please leave the area as you would expect to find it.

General Behaviour:

Please ensure that staff make sure that the following are adhered too.

Throwing of Stones

Please make sure that stones or rocks are not thrown anywhere on the camp site especially in the court yard area on main centre.

Swinging on Gates

Please do not allow anyone to stand or swing on any of the gates.

Climbing Stone Walls

It is very dangerous to climb on the walls as they are only drystone walls. They are very costly to rebuild and camps will be asked to pay for any damage caused.

Level Crossing Gates

Please see that these are kept closed and warn everyone to take care whenever using the crossing.

Do not attempt to use the crossing if you can see a train.
Motorists if you find the gates open, ensure that there is not a train approaching before crossing. Close the gates after crossing.
Do not leave the gates open for another vehicle that "will be along in a minute".

Respect for Centre Members of Staff:

All of the centre members of staff are volunteers and give up their free time to support the centre and its customers.

Please be polite and respectful to our staff at all times.

Any verbal abuse or threatening behaviour towards any member of staff will result in the individual being asked to leave site immediately and in extreme cases the entire group may be asked to leave with no reimbursement of any fees currently paid.

The centre staff are there to help all groups, but with several groups that may arrive on site at the same time may lead to short delays with additional requests for example. Please be patient, and our staff will attend to you as quickly as possible.

Thank you in advance for your consideration towards our staff.

Waste Disposal:

DRAINS & TOILETS MUST NOT BE USED FOR WASTE DISPOSAL

Waste cooking oil must not be disposed of down sink drains. Waste cooking oil if used must be removed by the camp and not left on site regardless of quantity, the centre does not have facilities to recycle used oil.

All female hygiene products must be disposed of in the bins provided and not flushed down the toilets. These bins must be emptied before the departure of the camp.

Caravans:

Touring caravans must be approved by the booking secretary before the camp and are limited to **TWO** per site per week.

Refuse Collection & Re-Cycling:

There are now re-cycling facilities on site, these wheelie bins are denoted with labels and list the items that can be put into these bins.

From 2024 all food waste will have to be disposed of in disposable bags not black bags- all users must provide biodegradable bags to dispose of food waste and no food waste is to be placed down the main sewage system. Use the bins provided.

The collection day for the recycling bins and general waste can be found on the posters in all the kitchens. Please refer to and put bins out the night before the designated collection day.

All refuse wheelie bins are provided and are emptied on published days (as above) Please place all bins in the lay-by opposite the entrance to main centre .

Equipment Provided:

The following equipment is provided by the camping centre.

Mops	Buckets	Brooms
Dust Pan & Brushes	Cleaning Safety Signs	

Equipment Exclusions:

The following equipment is **NOT** provided by the camping centre.

Cleaning Chemicals	Cutlery
Hand Wash Soap	Toilet Rolls
Washing Line Pegs	Washing Up Liquid
Washing Machine Powder	Disposable Hand Towels
Cleaning Cloths	Plates & Dishes
Cups	

Cleaning Equipment and Information

Cleaning equipment (mops, brooms, buckets etc.) is colour coded and each colour coded item **MUST ONLY** be used in the designated area.

Designated areas for coloured equipment usage are as follows :-

Red equipment must only be used in toilet areas.

Blue equipment must only be used in the dining room and washing up area (Main Centre Only).

Green equipment must only be used in the kitchens.

Cleaning chemicals must **NOT** be used on any stainless steel surfaces, only soapy warm water should be used.

Communion Set and Lecterns:

The Communion Set comprises 45 individual communion glasses with carriers, wooden dish, small table Cross - all boxed and ready to use. You only need the bread and wine. Free standing Lecterns are also available. (Main Centre Only) Just ask a member of the change over team if you want to use them.

Smoking:

Smoking is **NOT** allowed inside any of the buildings or near any entrance/exit or door way.

Smoking is also strictly forbidden inside or around tents or marquees.

Camps should designate smoking areas well away from buildings, access ways for the general public and other non-smokers on camp and in a well ventilated area.

Cigarette ends should be disposed of in a safe and tidy manner, making sure that ends are completely extinguished and disposed of in a suitable non flammable container. The area should then be tidied prior to leaving the site. A charge will be made if this is not done.

Camp Fires:

Field camp fires are permitted but please check in with the site team. All we ask is that the turf is cut out and then returned to after the fire. The field is to look like no fire has taken place. **Please act responsibly in this undertaking.** BBQs are acceptable but please dispose of them correctly and do not scorch the ground.

Alcohol:

Whilst the site is not alcohol prohibited hirers are reminded to drink responsibly and all waste disposed of sensibly Please refrain from drinking outside, always drink in the dining area or marquee. Please respect the neighbours and the site on which you are staying

Pets:

Animals (Dogs cats etc) are allowed on site but please act responsibly, all waste needs to be collected up and disposed of. No animals allowed to sleep on any of the beds or mattresses in the dormitories.

Please can all animal hair be hoovered up when using the dormitory accommodation. **All dormitories have a hoover provided to assist with cleaning at the end of your stay.**

Please act sensibly and do not let animals worry local livestock.

Electrical Distribution:

230V Electrical extensions if taken from any of the buildings should only be taken to marquees. They should also only be used for short periods of time, for example to power projectors or music equipment for presentations.

Once finished with, the cables should then be removed from the field.

Camps extension reels should only be use with a current up to date Portable Appliance Test (PAT) label.

Electrical Appliances

Camps electrical appliances should only be used at the centre if it has a current up to date Portable Appliance Test (PAT) label.

The Beach

The beach is about a 15 min walk from the Centre. The beach is not patrolled by lifeguards.

Further information about beach safety can be found on the RNLI website:- www.rnli.org.uk

A particularly good document is the '**On the beach - guide to beach safety**' document which can be downloaded from the RNLI website.

Internet:

Internet access is available on all sites if requested, and is charged per night for the duration of your camp.

This is an all inclusive facility and no extra charge will be made to users of the site- it comes as part of the hire charge

Consideration to Others:

Please be considerate to other campers and local residents by keeping noise to a minimum between the hours of **11:00pm and 7:00am**.

Conditions for Camping Centre Hirers:

The centre is an approved Boys' Brigade site and as such the site owners have to provide a standard which is covered by nationally approved regulations.

One of these responsibilities is to insist on the carrying out by hirers of the following conditions:

Regulations

For ALL BB camps:

- An officer leading a camp or holiday (of any duration involving at least one overnight stay and for any age group) **MUST** hold a valid Holiday Leadership Qualification.
- At least one officer or warrant officer attending a canvas camp **MUST** hold a valid Camp Craft Qualification.
- All camps and holidays to be notified to HQ. This is the responsibility of the Hirer.

All adults assisting overnight with residential visits, camps or holidays and undertaking some responsibility at the event must be registered with Headquarters.

For all Holiday Leadership regulations, please refer to The Boys' Brigade Safety Handbook : Section 9.1. Downloadable from The BB Website

For Non BB camps:

- A qualified leader **MUST** be in charge of the camp.

Health & Hygiene

- There must be a comprehensive First Aid kit provided.
- Soap & water should be provided for washing hands.
- Toilets must be cleaned daily.
- Walls and floors must be kept clean.
- Easy access to the marquee and cook house must be maintained.
- Marquee and cook house walkways must be kept clear.
- Waste bin lids must be kept tight.
- Waste disposal instructions must be followed.
- Smoking is prohibited in the cookhouse and food preparation areas.

Conditions for Camping Centre Hirers continued...**Safety**

- A fire safety officer **MUST** be appointed.
- There must be a pre-determined fire drill and a pre-determined accident procedure known by everyone.
- No naked flames are allowed in any tent used for sleeping or storage.

**General**

- Simple instructions on camping under canvas must be given to all people on site.
- At least two people should be **trained and competent in handling and maintaining erected canvas.**

- **All other camp sites are out of bounds at all times, unless a specific invitation is received.**
- An equipment officer must be appointed, to be responsible for maintaining equipment belonging to the owner.
- Hirers may be liable for any damage or loss.
- **Every assistance must be given to the District Representative during a changeover.**
- The WMD will provide BBHQ with a list of companies using the site. Hirers should be aware that a camp visitation could take place whilst they are on the site.
- Vehicles must be parked well away from all canvas and it is suggested that vehicles are parked along the boundary wall of each of the camping fields.

Water, Electricity & Gas Charges:

Water, Electricity and Gas meter readings are read at the beginning and end of the camp by the camping centre staff. The charges for these will be included in the invoice issued by the booking secretary after the camp.

Charges can be found in the separate price guide.

Fire Alarms:

There are fire alarms in the dormitories, dining area and chapel.

Room Heaters:

Gas fired heaters in the dining area and the Pantry dormitory are available if required.

The Chapel and Chapel dormitory is heated using radiators via gas boiler.

Gas used for the above heaters will be charged for.

Electric heaters are supplied for other dormitories.

Boilers:

The hot water for the main centre sinks and showers are heated by gas. Gas used will be charged for.

Payphone:

There is a public payphone in the village by the children's play area. If it is needed.

Waste Disposal Unit:

Due to a change in waste disposal (Welsh) guidelines there is no longer a waste disposal unit or a potato peeler available for use. All waste to be recycled and/or disposed of in the bins provided. No food waste to be put down the main sewage system.

General Information:

If bread and milk is delivered or fetched in crates will you please arrange for the removal of the crates after use.

For information Tesco and Asda will deliver to all three sites at the centre.

Washing Machine:

There is a washing machine available in the washing up area of the dining room. **Washing powder is not provided.** It is also advised to bring pegs for your washing line

Dormitories:

3 dormitories are available for hire and are charged additionally per night for the duration of the camp—**but only if you have hired canvas on the main centre field.**

1 additional dormitory is available for hire, but only out of the main camping season (not available July, August and first weekend of September).

Only mattresses are provided in dormitories. Pillows & blankets are not provided.

All dormitories have a hoover provided to assist with cleaning at the end of your stay.

Beds & mattresses should not be removed from dormitories. They cannot be used on the main centre camping field to sleep on in tents

Dormitory charges can be found in the separate price guide.

Canvas

12 - 14' x 12' ridge tents are supplied with the Main Centre Site.

Full tent ground sheets are supplied by the camping centre.

Additional camping centre tents are available at extra cost, per tent per week and must be requested before the camp. Additional tents supplied by the Centre must be erected by the hirer.

Camps own tents and caravans are allowed but charged additionally per tent and caravan per night.

Charges can be found in the separate price guide.

Water, Electricity & Gas Charges:

Water, Electricity and Gas meter readings are read at the beginning and end of the camp by the camping centre staff. The charges for these will be included in the invoice issued by the booking secretary after the camp.

Charges can be found in the separate price guide.

Boilers:

The hot water for the kitchen sinks, wash basins and showers are heated by gas. Gas used will be charged for.

General Information:

If bread and milk is delivered or fetched in crates will you please arrange for the removal of the crates after use.

For information Tesco and Asda will deliver to all three sites at the centre.

There is a brook on the boundary of B site. Young people should be warned of the dangers of playing in the water. Younger children should be supervised at ALL times.

Kitchen Gas Supply

Supply of gas to grills and cookers on both A & B Sites are controlled by a safety solenoid. To activate the solenoid the EMERGENCY STOP push button must not be activated and the ventilation system must be on.

The **EMERGENCY STOP** push button is found by the door. To release (deactivate) the push button simply rotate the red button head until it springs forward. In case of an emergency (e.g. fire) gas can be isolated by simply pushing (activating) the EMERGENCY STOP push button.

The ventilation control is also found by the door next to the emergency stop push button. To operate, press the switch on the control box to turn on then select the required fan speed using the knob.

Canvas

10 - 14' x 12' Ridge tents are supplied with each of the A & B Sites.
1 - 12m x 6m Marquee is supplied with each of the A & B Sites.

Full tent ground sheets are supplied by the camping centre.

110V Electric lighting is provided in Marquees. These are set up by the centre staff and can be switched on & off by the switch located in the kitchen above the door.

An additional 40' x 20' may be available at an extra cost per week, but must be request before the camp.

Additional camping centre tents are available at extra cost, per tent per week and must be requested before the camp.

Additional tents supplied by the Centre **must be erected by the hirer.**

Camps own tents and caravans are allowed but charged additionally per tent and caravan per night.

Charges can be found in the separate price guide.
